KENWORTH

AUSTRALIAN MADE. WORLD'S BEST.

PACCAR PARTS

PRIDE OF OWNERSHIP

Form, function and pride all come together when you enhance and customise your Kenworth T610 series truck with this dedicated suite of accessories from PACCAR Parts.

PACCAR Parts offer a range of specially selected parts and accessories for one of Kenworth's newest and best truck series yet - the T610 and T610SAR.

Stand back for a moment and imagine the pride and satisfaction of approaching your Kenworth fitted with a selection of exterior and interior fitments sourced and engineered to the highest standards. Each will set your rig apart from others, day or night, parked or cruising the highway.

Now climb into the state of the art and iconic interior; and decide how to lift that experience and sense of command to another level with your choice of bespoke personalisation and cabin comfort.

Inside or out you deserve to feel proud of your Kenworth and what you have achieved.

PACCAR Parts is pleased to be part of your journey.

STAND OUT STACKS

Make a statement with a set of expanded chrome top stacks

Silverback Armour offer the industry leading Silverback Chrome range of exhausts and air intake products as well as the Silverback Stainless range of stainless steel guards and brackets.

The new cab of the Kenworth T610 utilises a different exhaust system. Silverback Chrome has developed a top stack from their 350C series with an inlet extension to provide direct fitment while upgrading your stack size to a 6", 7" or 8" outlet. Also included, is the specially formulated coating which protects against the corrosive effects caused by urea used in Selective Catalytic Reduction Systems (SCR Systems).

Silverback 350C Series Expanded Stacks

Select your options:

- **Style:** Aussie Curve, Mitre Cut or Straight Cut
- **Size:** 6", 7" or 8" outlet.
- **Length:**
  - **Short:** 30", 36" & 44" | Day cab – Low clearance
  - **Medium:** 48" & 54" | Sleeper Cab – Highway driving
  - **High:** 60", 64" & 72" | High Sleeper – Tall loads

Includes: Extension to suit new Kenworth cab and protective coating upgrade

PACCAR
GENUINE PARTS

A hydraulic power take-off, or PTO, allows you to transform your vehicle's engine power into hydraulic power. Hydraulic power is the power that the hydraulic oil flow and pressure creates. By attaching a PTO directly to your vehicles transmission you can utilize some of the power from the engine to power auxiliary components such as a hydraulic pump.
