

DANA DRIVEHEAD WITH FULL TIME PUMP

PACCAR Parts are proud to offer new Dana drive heads with full time lubrication pumps. Over 18 months of testing and validation in Australian conditions has been fulfilled to ensure these driveheads perform as expected.

Now available as first fit through Kenworth Production, existing trucks with D170, D190 and D590 driveheads can benefit from changing to this new drivehead offering. With constant lubrication, lower operating temperatures and proudly designed and built in Australia, it is a worthwhile choice for drivehead longevity and peace of mind.

FEATURE	BENEFIT
Full time lubrication to all moving gears	Drivehead longevity
Full time pump mounted externally to the drivehead	Easy maintenance
Australian designed & built assembly	Tested to meet local operating conditions
Designed to fit existing axles	Pre fulltime pump trucks can be upgraded
External pump and constant lubrication	Reduction in drivehead oil temperature, leading to extended oil drain intervals
