

KING PIN KITS

PACCAR Genuine King Pin Kits cover Meritor axle applications on KW trucks. All PACCAR Genuine King Pin Kits are manufactured and designed to meet the highest quality standards and performance.

When you see PACCAR Genuine on the box you can be assured that the parts you are buying are OEM quality and fitted at the Kenworth manufacturing plant right here in Australia.

Look for the blue box and insist on PACCAR Genuine, anything else is just a copy.

- **2 year unlimited kilometre warranty**

FEATURES & BENEFITS

- Low friction bushings (Ezi Steer) help to reduce steering effort and provides longer life.
- Double draw keys allow the king pin to be held more firmly in place, resulting in superior front end stability and longer life.
- Three grooves in the bushes allow complete flushing action during lubrication.
- Large diameter king pin provides greater durability and longer component life.
- King pin seal prevents lubricant seepage, seals out contaminants and provides improved lubrication system.
